

I like exploring technologies and help the mankind to make better lives.

WORK EXPERIENCE

○ Internship

Siraom Pvt Ltd - Pune

04/2023 - 07/2023

TECH STACK - LARAVEL, PHP, JAVASCRIPT, SQL, HTML

Tasks

- Implemented cache optimization techniques leveraging laravel framework to significantly boost the performance of the website. This effort led to a remarkable improvement in the browsing experience, elevating its smoothness from **60% to 96%**.
- Developed Image compression feature from the ground up, leveraging the capabilities of the Intervention Image library. This resulted in a notable **40%** enhancement in the website's loading performance.
- Orchestrated impactful UI improvements using the Laravel framework, elevating aesthetics and design strategy. The outcome: heightened engagement and a visually enriched website experience.
- Continuous integration and deployment at Hostinger.

PROJECTS

Placement Cell CUH (Webapp) (07/2022 - 10/2022)

- An implementation of idea which is sharing of information regarding job opportunities and internship Using **React.JS Material UI, MySQL**.
- **Separate Login Portals** for students Administrators, where they may carry out their separate tasks.
- Student can make complaint here and talk to placement co-ordinator.
- Here all jobs and internship related information are posted, so all the student get the notification about the new opportunity.

Centralised Tuition Management System (12/2022 - 02/2023)

- **Tech Stack: React.Js, Laravel, Bootstrap, SQL.**
- Branch managers gain direct access to their branch's data, enabling autonomous student info updates and administrative control..
- The app centrally stores student data across branches, eliminating duplication and ensuring accurate records.
- Enabling smooth fee management, the system stores student fees, allowing branch managers to input, track due dates, and monitor payments for effective financial control.

EDUCATION

○ B. Tech. in Computer Science Engineering

Central University of Haryana

08/2020 - Present

CGPA - 8.3/10 (Average)

○ Intermediate-ISC

L.M. Collage Gaya

05/2017 - 03/2019

Aggregate: 84%

SKILLS

ReactJS

NodeJS

ExpressJS

HTML

CSS

Javascript

PHP

SQL

mongoDB

Git

Laravel

Python

Problem Solving

Figma

UI / UX

Firebase

Bootstrap

ACHIEVEMENTS

Internship Recommendation

Received recommendation from stakeholders for bringing optimization and enhancing website performance before stipulated deadline of **one month**.

Smart India Hackathon

Recipient of University-Level Championship in Smart India Hackathon

Problem Solving Achievement

solved **200+** problems on multiple coding platforms. Refer - [Leetcode](#)

Development Achievements

Developed multiple personal projects which are live. [Portfolio Github](#)

CERTIFICATES

ReactJs certified from Udemy
(02/2022 - Present)

NodeJs certified from Udemy
(01/2023 - Present)

MongoDb certified from Udemy
(03/2023 - Present)

LANGUAGES

English

Full Professional Proficiency

Hindi

Native or Bilingual Proficiency
